ESTABLISHED 2019

ABOUT US

As a humble venture of HVAC and Electromechanical professionals, GK Electromechanical LLC was established 2019 in Dubai, United Arab Emirates. Our aim is to apply the extensive experience we have gained in HVAC and electromechanical services to deliver optimum solutions tailored to our customers' needs.

Guided by its mission of "Total Customer Satisfaction," GK Electromechanical delivers a comprehensive portfolio of premium, international-standard products and services, proven across diverse projects throughout the UAE.

VISION

To establish GK Electromechanical as a benchmark in HVAC and electromechanical services excellence through quality workmanship, advanced technology, and total customer satisfaction.

And deliver energy-efficient and sustainable HVAC and electromechanical solutions that support the UAE's vision for a smarter and greener future.

MISSION

To deliver high-quality HVAC and electromechanical services solutions through skilled workmanship, advanced technology, and a commitment to total customer satisfaction.

And implement innovative and energy-efficient HVAC and electromechanical solutions that support sustainable development and long-term value for our clients.

DESIGN AND CUSTOMIZED
SOLUTION

REPLACEMENT AND UPGRADATION OF HVAC EQUIPMENT:

Expertise in replacement and upgradation of HVAC systems to improve energy efficiency, reliability, and indoor comfort. Skilled in assessing existing installations, recommending modern solutions, and executing upgrades in compliance with safety and industry standards.

CHILLED WATER PUMP SEGMENT:

Providing efficient chilled water pump solutions to ensure smooth circulation reduced energy consumption, and dependable HVAC system operation.

CHILLER AND OTHER HVAC EQUIPMENT REPAIR WORK:

Delivering prompt and efficient repair solutions for chillers and HVAC systems, minimizing downtime and enhancing system performance.

CONTROL UPGRADATION:

We provide control upgradation solutions for HVAC systems to enhance operational efficiency, accuracy, and system reliability. Our services include modernization of control panels, sensors, and automation systems to meet current performance and energy standards.

CHILLED WATER PUMP SEGMENT

REPLACEMENT & UPGRADATION EQUIPMENT

ELECTRICAL POWER UPGRADATION

CHILLER & EQUIPMENT REPAIR WORK

ANNUAL MAINTENANCE CONTRACTS (AMCS):

We offer comprehensive Annual Maintenance Contracts for HVAC systems to ensure consistent performance, energy efficiency, and extended equipment life. Our AMC services include preventive maintenance, routine inspections, breakdown support, & performance optimization.

DESIGN AND CUSTOMIZED SOLUTIONS:

We provide end-to-end design and customized solutions for HVAC systems, tailored to meet the unique requirements of each client. Our services include system design, load calculation, layout planning, and implementation of energy-efficient, reliable, and scalable solutions.

ELECTRICAL POWER UPGRADATION:

We provide comprehensive electrical power upgradation solutions, including system assessment, load enhancement, panel modernization, and safe integration with existing infrastructure. Our services ensure reliable power supply, improved efficiency, and compliance with industry standards.

FIRE ALARM & EMERGENCY LIGHTING SYSTEMS:

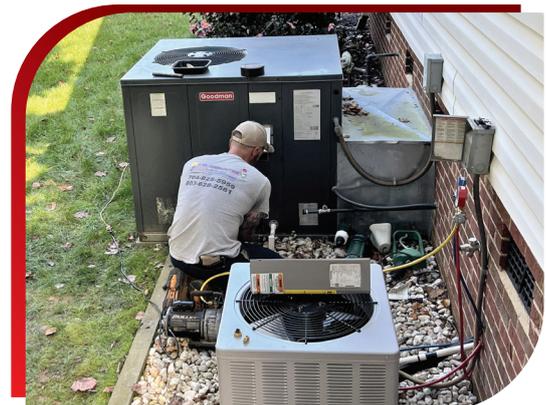

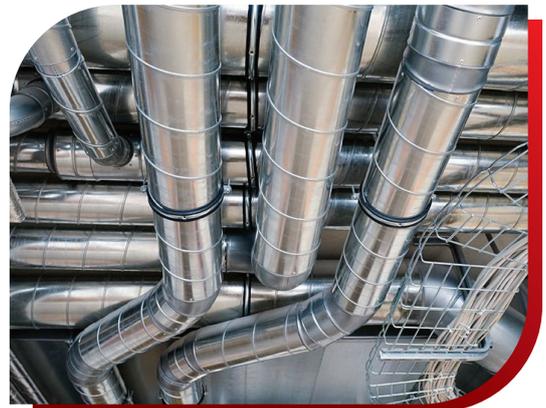

We provide comprehensive solutions for fire alarm and emergency lighting systems, including design, installation, testing, and maintenance. Our services ensure building safety, compliance with statutory regulations, and reliable performance during emergencies.

CORE SERVICE

GK Electromechanical offers a complete range of HVAC & MEP services, including Design, Build, Installation, and Maintenance for Commercial, Industrial, and Residential Projects.

SPECIALIZATIONS

- Heating, Ventilation & Air Conditioning (HVAC) Systems
- All types of Air Conditioning Systems: Centralized, Wall-Mounted, Split Systems, Ducted Spilt
- Chilled Water Systems, Chiller Plants, Cooling Towers, FAU, AHU, FCU
- Inspection, Surveys & Reporting of Existing Installations
- Refrigeration & Low-Temperature Projects
- Duct Works & Installation
- Ventilation Systems

Plumbing & Fire Fighting Systems Services

SPECIALIZATIONS

- Design & Installation of Plumbing, Drainage, and Sanitary Systems
- Pump & Tank Installation
- Complete Piping Works
- Sanitary Ware Fixing
- Sewage Treatment Plants (STP)
- Water Treatment Plants (WTP)
- Potable Water Booster Systems
- Testing and Commissioning

Fire Fighting Systems

SPECIALIZATIONS

- Design, Installation, and Servicing of Fire Fighting Systems
- Automatic Sprinklers / Wet Riser / Dry Riser / Fire Pumps
- Foam Systems
- Fire Alarm & High Sensitivity Smoke Detection (HSSD)
- Emergency Lighting (Self-Contained & Monitored)
- Testing and Commissioning

QUALITY POLICY

"Quality, Service, and Experience is the spirit of GK Electromechanical Work LLC. We are committed to providing products and services to our customers at competitive rates while maintaining the highest standards of quality. Our goal is to consistently meet and exceed customer needs and expectations, ensuring satisfaction and fostering long-term relationships."

Accordingly, GK Electromechanical Work LLC will operate its business through the implementation of a Quality Management System (QMS), which promotes the use of the latest technology, best commercial practices

and continual improvement to enhance the effectiveness of the QMS and achieve the company's quality objectives.

Continual improvement in the quality of our products and services is the responsibility of every employee at GK Electromechanical Work LLC. Quality objectives aligned with this policy are established, monitored, and reviewed regularly to ensure effectiveness.

We are committed to enhancing employee competency by providing relevant training and verifying the effectiveness of these trainings, ensuring that our workforce contributes actively to achieving excellence in quality.

IMPLEMENTATION OF QUALITY POLICY

The quality policy of GK Electromechanical Work LLC is implemented through the following measures:

- Thoroughly understanding customer requirements.
- Fulfilling agreed customer requirements and enhancing customer satisfaction.
- Complying with ISO 9001:2015, 14001:2015 & 45001:2018 requirements, as well as applicable legal and other regulatory obligations.
- Enhancing employee competency and commitment to the Quality Management System (QMS).
- Utilizing the latest technology, machines, and equipment.
- Continually reviewing, verifying, and validating the effectiveness of the Quality Management System.

HEALTH, SAFETY AND ENVIRONMENT POLICY

GK Electromechanical Work LLC is committed to ensuring the health and safety of its employees, visitors, and the community at large, while protecting the physical environment in which the company operates.

The Management and staff shall implement a Health, Safety, and Environment (HSE) management system in accordance with OHSAS 18001:2007 and ISO 14001:2015 and strive for its continual improvement.

The company will achieve this commitment through the following measures:

- Identify and effectively control processes & products to ensure safety and quality.
- Ensure the safety, welfare, and well-being of all employees and the protection of company assets.

- Prevent environmental impacts arising from company operations.
- Comply with all relevant Environmental, Health, and Safety laws and other applicable requirements.
- Identify hazards, assess associated risks, and implement measures to manage and mitigate them.
- Periodically review the suitability, adequacy, and effectiveness of the HSE management system.
- Protect the environment, prevent pollution, minimize material consumption, promote reuse and recycling, and adopt best practices in waste management.
- Prevent accidents and work-related ill-health.
- Ensure that the HSE policy is effectively communicated to all relevant stakeholders. This policy reflects our commitment to maintaining a safe workplace, safeguarding the environment, and continuously improving our HSE practices.
